**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Policies and objectives:

The objects of the League are:-

To foster and maintain the interest of the public in the life and work of the Bexhill Hospital.

To relieve sickness and to preserve the health of the residents of Bexhill-on-Sea primarily, but not exclusively, through the Bexhill Hospital, by providing or assisting in the provision of equipment, facilities, amenities and services which are not normally provided by the statutory authorities.

The aims of the Charity are therefore to support the continuing development of Bexhill Hospital mainly by supplementing funds available for equipment as well as for research education and training. Additionally, the Charity aims to foster interest in the work of the Hospital by the provision of voluntary work within the Hospital.

Strategies for achieving objectives:

These included holding regular meetings of the Management Committee to keep close control over income and expenditure and liaising with the Hospital Trust to obtain details of what equipment is needed or whether the provision of funds for improvement or enhancement of staff or other facilities could be made. The Charity also seeks to publicise its efforts inter alia by holding a variety of events both small and large throughout the year including Garden Party event and a prize draw, Flu Clinics, collecting at local store and the sale of Christmas Cards. Where appropriate,

Significant activities

Legacy income is a significant part of the Charity's overall income and as such the Charity will be doing all it can to promote itself as a Charity worthy of charitable giving. The accounts give a full picture of the extent of the grants made. The Management committee continues to encourage the Hospital to approach the League for donations of any kind for items however large or small.

Public benefit

The trustees have complied with their duty in the Charities Act to have due regard to guidelines issued by the Charity Commission on public benefit. The charity is involved in the provision of equipment, facilities and amenities to relieve the sickness and preserve the health of the residents of Bexhill-on-Sea.

Grantmaking

The League will agree to making a grant to local organisations whose aims also meet its objectives. The League does not make grants to individuals.

Volunteers

The League has the benefit of being able to call upon approximately 60 Volunteers to work in its both of our shops in Outpatients and Irvine Unit within the Hospital. The net worth of these Volunteers is almost inestimable and their service is greatly appreciated by both the League and the Hospital. The Trustees take the opportunity of thanking all the Volunteers for the work they do throughout the year.

**THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The main charitable activity during the year was providing grants to Bexhill Hospital. The grants were awarded for the purchase of new equipment and the refurbishment of facilities used by the patients and staff. A full list of the grants awarded is given in note 8 and are in accordance with the charitable objectives.

The grants awarded were chosen for the positive impact on the treatment of patients living in the Bexhill area, who would otherwise have to wait longer or travel further for treatment.

The charity owns a beach chalet on Bexhill seafront and this is for the use of the staff of Bexhill Hospital. The costs to maintain the chalet are minimal and the benefit to the wellbeing of the staff is considered an important factor for retaining ownership.

Fundraising activities

The League normally organise a number of activities throughout the year, which are designed to present the League and its objects to the public to secure funds to be passed back to the Hospital.

The League operates two shops within Bexhill Hospital, one being in the Irvine Unit. The shops are open to patients, visitors and staff and are manned by volunteers. The profit from the shops is used in the furtherance of the charitable activities. However due to restriction of access at the Irvine Unit, this shop has remained closed this year.

The League has recently set up its own lottery within the Unity Lottery which will bring 50p in the £1 to the League. The promotion of this has been setback

On a smaller scale, regular coffee mornings are held in the hospital and local areas.

These activities all help to foster a team spirit between League members. As important as making a profit for the League, is the fact that each event publicises the work of the League and increases awareness of what the League is able to do.

Investment performance

The bulk of its funds held in interest bearing bank and building society accounts. The Trustees consider this to be the simplest and most risk free method to earn income and maintain capital value. The market is constantly monitored to ensure the best interest rates.

FINANCIAL REVIEW

Financial position

During the year projects totalling £214,214 (2021 - £23,076) were approved. The net figure for the year was £211,748 (2021 - £22,867) after adjusting for items previously authorised but not purchased.

With income for the year totalling £234,753, the year ended with a satisfactory balance from which to support the continued expansion and upgrading of the hospital and the provision of further medical equipment for the use of the community.

On a fund basis the assets are available and adequate to fulfil the obligations of the Charity.

Principal funding sources

The main source of funding has historically been legacies and this has enabled the Charity to fund various projects undertaken. In the past two years, there has been a significant reduction in legacies and interest receivable on deposits has become the principal funding source.

In the current year, however, the charity has been advised that it should receive legacies in excess of £100,000.

Investment policy and objectives

The trustees have decided not to undertake any speculative investment, for example in equities. The League's resources are deposited with Redwood Bank, United Trust Bank, Cambridge and Counties Bank, Hampshire Trust Bank and Shawbrook Bank in order to obtain the best possible rates of interest.

**THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

FINANCIAL REVIEW

Reserves policy

The Balance Sheet shows total reserves of restricted and unrestricted funds of £3,777,637 of which £944 are restricted funds and £3,776,693 are unrestricted. This far exceeds the amount the Charity wishes to maintain on a regular basis.

It is not the trustees intention to accumulate funds but to finance improvements and purchase medical equipment for the benefit of the community.

FUTURE PLANS

Our desire to provide the people of Bexhill with the very best medical care possible, motivates each and every member of our League of friends.

We have plans to improve the facilities for patients and carers at the Irvine Unit, a rehabilitation unit that's aim is to help people regain sufficient confidence and strength to return home. We also have plans to work with the NHS trust and others to provide the very latest and most advanced equipment in our region.

The Friends of Bexhill hospital was created to help all our residents who found themselves in need of hospital treatment our purpose and determination has not changed.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, being a Constitution of a Charitable Incorporated Organisation. This closely follows the 'Association' model constitution for a CIO, published by the Charity Commission.

Recruitment and appointment of new trustees

The members of the Committee are also charity trustees for the purpose of charity law. The officers of the League include a Chairman, Vice-Chairman, Honorary Secretary, Honorary Treasurer and Honorary Gift Aid Secretary. The Chairman and Vice-Chairman are elected by the General Committee and the other officers are elected at the Annual General Meeting.

All other members of the Committee are elected at the Annual General Meeting and retire after three years but are eligible for re-election. The Committee may fill any vacancy, and any person nominated to fill a casual vacancy shall go out of office at the next annual General Meeting and be eligible for re-election. The Committee has full power to conduct the business of the League free from control of Her Majesty's Government, the Regional Authority, the East Sussex Hospitals NHS Trust or any other person or body. Traditional business and medical skills are well represented on the Committee. In an effort to maintain this broad mix, in the event of particular skills being lost due to death or retirement, individuals are approached to offer themselves for election to the Committee.

There are five Committee meetings each year, during which all decisions are made by the Trustees present.

Organisational structure

Social Committee:

The operation of the canteen and shops.

Induction and training of new trustees

All Trustees are handpicked for the knowledge and expertise that they can contribute to the Committee. Their induction and training occurs during and as a result of Committee Meetings.

Related parties

The League of Friends of the Bexhill Hospital frequently enhances financial contributions made by The Friends of the Conquest Hospital, Hastings in the provision of medical equipment in order to benefit Bexhill patients.

**THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at a reasonable level, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

The charity is insured through a scheme run by Attend, covering all members, helpers and voluntary workers of The League of Friends of the Bexhill Hospital. The trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the significant risks.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on *9th February 2023* and signed on its behalf by:

.....
J H T Dowling - Trustee

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

Opinion

We have audited the financial statements of The League of Friends of The Bexhill Hospital CIO (the 'charity') for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Discussions with management which included consideration of known or suspected instances of non-compliance with laws and regulations and fraud.
- Reviewing, evaluating and testing systems and controls to assess their effectiveness to prevent and detect irregularities.
- Identifying, reviewing and testing of journal entries.
- Challenging assumptions and judgements made by management in respect of significant accounting estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The accounts have been prepared on a Going Concern basis. The legal status of the Charity changed to a Charitable Incorporated Organisation as detailed in the Trustees Report, whereby all assets and liabilities of the Charity transferred to the new Charity.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For legacies, receipt is probable when there has been grant of probate, the executors have established that there are sufficient assets in the estate to pay the legacy, after settling any liabilities, and any conditions attached to the legacy have either been met or are within the control of the charity.

Investment income is recognised when its receipt is probable and the amount receivable can be measured reliably.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs

All costs incurred relate to the one charitable activity of the charity.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles - 20% on reducing balance

No provision for depreciation has been made on the beach chalet as the building is properly maintained to standards that ensure that its residual value is not less than its book value.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

**THE LEAGUE OF FRIENDS OF THE BEXHILL
HOSPITAL CIO**

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. ACCOUNTING POLICIES - continued

Fund accounting

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Legacies receivable are valued at the amount notified as being receivable by the executors, once probate has been granted and the amount can be measured reliably.

Cash at bank

Cash at bank includes cash and short term highly liquid investments.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Grant income

Grant income has been recognised under the performance model.

Grants that do not specify any future performance-related conditions are recorded when the grant proceeds are received or receivable. Any grant that imposes specified future performance-related conditions is recognised only when the performance-related conditions are met. Grants received before the revenue recognition criteria are satisfied are recognised as a liability.

2. DONATIONS AND LEGACIES

	2022	<i>2021</i>
	£	<i>£</i>
Donations (including in memory of deceased relatives and friends)	8,010	<i>18,478</i>
Tax refund on gift aid donations, subscriptions and legacies	1,227	<i>908</i>
Legacies	158,270	<i>3,500</i>
Subscriptions	3,296	<i>3,591</i>
	170,803	<i>26,477</i>

The Trust benefits greatly from the involvement and enthusiastic support of its many volunteers, details of which are given in our annual report. In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the accounts.
